

## Job Opening Announcement

The Department of Economics at National Chengchi University in Taiwan announces its recruitment plan for autumn in 2017. The Department is seeking to fill one teaching and research position, which starts from August 2018. The full application package should be received by November 30, 2017.

Field Preferred: All fields.

A complete application should include:

1. Application letter,
2. Resume,
3. Photocopies of the applicant's degrees, or a letter from thesis supervisor to certify the expected date of graduation of the applicant. The candidates in our first run list should provide a formal letter from their adviser to ensure obtaining Ph.D. degree by the end of June 2018,
4. An official copy of transcript sent directly from the issuing institute(s),
5. Samples of publication, such as degree dissertation, refereed papers and/or working papers if written in the past five years, and
6. Three recommendation letters sent directly from referees.
